

**Astronomical Association of Queensland**  
**EDWARD CORBOULD RESEARCH FUND**  
**Application for a 2019 Grant**

**PROJECT** Short descriptive title, informative to workers in other fields.

**INVESTIGATOR(S)** Name(s), address(es), telephone number(s).

**BIOGRAPHICAL DETAILS:** Attach a short CV for each researcher including relevant astronomical experience. Include date of birth, citizenship, highest qualification received, where, when; subjects studied in last 2 years of education; list any publications, honours, awards. Amateurs should briefly describe their contributions to astronomy.

**LETTER OF SUPPORT** Attach a letter of support for the project from a scientist working in the field covered by the proposal.

**LITERATURE REVIEW** Attach a review of the relevant scientific literature, supported by a list of references.

**REFEREES** Give names, addresses and telephone numbers of two persons from whom the Committee may seek assessments of your research ability.

**ASSESSORS** Give names, addresses and telephone numbers of two persons qualified to assess the scientific value of your project, whom the Committee may contact.

**FUNDS REQUESTED** for 2019: \$

**ADMINISTRATION OF FUNDS** Name and address of the person to administer the funds, if more than one investigator will work on the project.

**PROJECT DETAILS** On separate pages provide a concise statement of the aims and hypotheses of the project, details of the proposed methodology including analysis of the data to be collected, a timeline for the project, and an itemised list of proposed expenditure including justification of each item and a ranking of the items in terms of priority (1. essential for the project, 2. considered necessary to maintain a reasonable rate of progress through to completion, and 3. other items useful to support the project).

Has the project started? How long will it take? Will funding be requested in subsequent years? Is the project dependent on other sources of funds (if so give details)?

**COPIES** Please supply **1 signed copy of the application** sent by post or scanned and lodged via email.

**SIGNATURE(S) OF INVESTIGATOR(S)**
